Introduction

S. T. Engineering Services (Pvt) Ltd. establishment was originated in 1989 with manufacturing of Sheet Metal parts.

The dynamic leadership, professional management, team work and dedicated workforce lead the company to an exponential growth. Our workman ship has gained for us a good reputation and customer satisfaction. The company presently working as a modern integrated unit, which has almost all international standards to produce best quality & precise Sheet Metal parts targeting national and international standards.

Number of employees across the nation has devoted their careers to advancing the engineering level in the company. Management personnel of S. T. Engineering Services (Pvt) Ltd. are proud of their talented employees who have shared the commitment of achieving the company's ambitious mission by developing leading-edge in engineering and mechanical field as well.

Production Facilities

- Designing Shop:** 3D CAD/CAM modeling (Individual parts & assemblies)
- CNC Shop:** CNC Milling & Wire cut (Bed size up to 1500x650mm)
- Machining Shop:** Conventional Machines (Milling, Shaping, Turning, Drilling (etc)
- Metal Cutting Shop:** Shearing Machines & Gas Cutting
- Press Shop:** Hydraulic & Power Presses (Capacity of 100~600 Tons)
- Welding Shop:** Spot / Projection Welding (Capacity of 25~150 KVA), CO2 Welding (Capacity of 200~500 Amps)
- Surface Treatment:** Galvanizing, Electroplating, Phosphating etc.
- Paint Shop:** Powder Coating

Product Line

Car Parts:

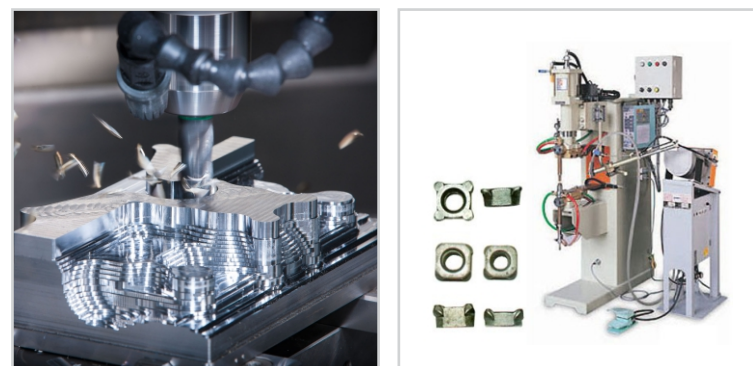

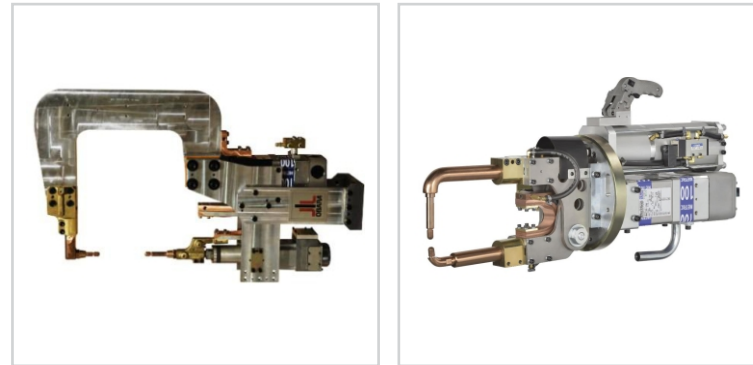

Member Comp, Hood Lock, Panel Comp, Side Sill Inr, (R/L), Member Comp Rear Floor Side (R/L), Crossmember Comp, (RR) Floor 2nd, Housing (RR) Comb Lamp Outer (R/L), Panel Comp, Center Pillar Inr (R/L), Panel Front Wheel House (R/L), Jack Assy Hydraulic (2 Ton), Weight Wheel Balance 5g To 60g, Cover, STRG Joint, Frame (R/L), Fr Flr Ctr, Stiff, RR Pnl Up, Up Beam CTR, FF BPR, Splash Guard, FR & Rr, Lid Assy, Da/bd Up, Rail Assy (R/L), Roof Side FR, Rail (R/L), Roof Side RR, Stay, Eng Harn / (O/P SNSR), Impeller Water Pump, PNL-Cowl Side UPR OTR (R/L).

Motorcycle Parts:

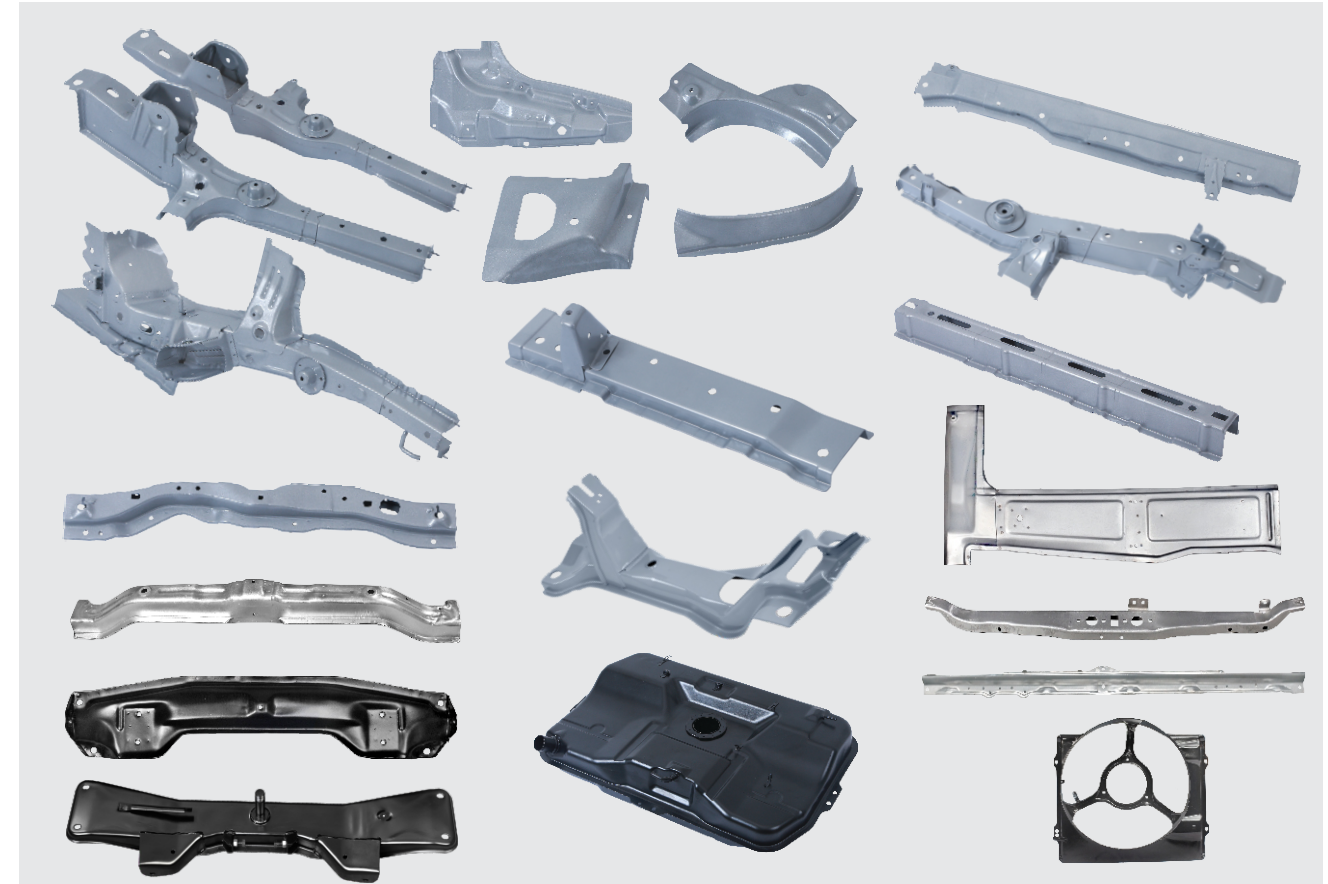

Rod Rear Brake CD-70/CG-125, Holder R/I Pillion Step Assy, Plate, Meter Set (CG-125), Bracket No Plate(CG-125), Plate, Rear Upper Cross, Pressure Plate CD-70/CG-125, Sprocket CD-70/CG-125.

Home Appliances Parts:

Back Board, Base Plate, Compressor Mass, Bottom Bars, Instant Gas Water Heater Complete Body.
